4. Incorporation of SSHAP in the US

Warren Goldfarb raised the question whether we should incorporate SSHAP in the US. It was

suggested that this is not worth the trouble if we do not collect dues. However, discussion with Landon Elkin suggests that in fact filing returns with the IRS if we incorporate is not difficult, so we should have further discussion of this issue at the next Annual General Meeting.

7. President's Report

Juliet Floyd: Many thanks to Sandra Lapointe for her service as President of SSHAP for 8 years, since the foundation of the Society. SSHAP is doing well, and we have a tentative date and location for next year's Annual Meeting, 1-3 July 2020 at the University of Vienna to be organized by Georg Schiemer. The proposed venue for the 2021 Annual Meeting is Beijing; the proposed organizers are Jiang Yi and Mike Beaney. Another future proposed venue for the Annual Meeting is the University of Pittsburgh. We should consider efforts to have papers presented at Annual Meetings published, perhaps our affiliate *Journal of the History of Analytical Philosophy*, *Journal of the History of Philosophy*, or *Archiv für Geschichte der Philosophie*. Sandra Lapointe and Marcus Rossberg, editor-in-chief of JHAP, would like to announce special issues for the journal, and to urge submission of proposal for them.

8. Motion to Adjourn.
